

Tidewater Area Darting Association
P.O. Box 41062 Norfolk, VA 23541

SPONSORSHIP AGREEMENT

ESTABLISHMENT: _____

NAME OF TEAM: _____

TEAM CAPTAIN: _____

In the interest of all concerned, the following information is provided regarding sponsorship of teams.

It is the responsibility of the **team captain** requesting to be sponsored to collect all sponsorship fees, this signed sponsorship agreement and to remit them to TADA the first night of league play. A check is the preferred method of payment, payable to TADA, for the purpose of tracking.
Sponsorship fees are \$15 per team per season.

If for some reason the team moves to another establishment, pro-rated refund will be provided to the previous establishment once sponsorship fees are collected from the new establishment. A refund of sponsorship fees will not be provided if the team drops from the league for any reason. TADA will assist the team in any way possible to keep this from happening; however, it is the ultimate responsibility of the **team captain** to maintain an active team.

It is the responsibility of the **team captain** to inform the establishment of any or all changes that affect the establishment to which the team shoots.

Establishments will be notified in the event that any of their teams become more than two (2) weeks in arrears for regular league fees. It is not the responsibility of the establishment to pay these fees; we only want to keep everyone informed in the event of TADA action to collect these fees.

If you have any questions concerning the league or teams you have sponsored, please contact the appropriate Division Coordinator. A contact list is available on our website in the Executive Board Member listing. <http://www.tidewaterdarts.com>

I have read and understood the above information:
